

# The Ginkgo Tree Herb Course

Featuring  
The Science & Art of Herbalism

Meeting once a month, September - June

*The history of herbalism is over 5,000 years old.*

*"Modern medicine" is a recent phenomenon in the last 75 years.*

*We will provide you with the how, what, when and why of herbal medicine.*

*We will give you a truly unique course featuring the practical use of herbs, harvesting herbs and making various herbal products. This course will provide you with the practical skills needed to begin your own home apothecary!*

Registration Fee – \$495.00

The course is comprised of 10 lessons.

Upon completion of the Home Study Course students will receive a diploma signed by one of our favourite herbalists, Rosemary Gladstar.

This course is completed at your own pace.
