Educational Background:

18 years of hands-on learning and experience with herbs
10 years of attending and working at alternative medicine conferences and lectures
Received diploma from Dominion Herbal College
Received diploma from The Science and Art of Herbalism
Certification in Restorative Medicine

Professional Background:

Herbal Educator and Community Outreach at Faunus Herbs (*April 1997 – Present*)

Faunus Herbs manufactures, formulates and develops complex food based supplements for the natural products industry. For twenty five years we have offered and supplied our proprietary knowledge and business acumen to medical and supplement companies throughout North America.

Founder of The Ginkgo Tree (*May 2013 – Present*)

Loose Teas & Blends Tinctures & Dried Herbs, Herbal Consultations, Herbal Education, Herb & Wild Edible Walks, Workshops and Lectures

Board member of Association for the Advancement of Restorative Medicine

(AARM) (June 2014 – Present)

AARM is the leading non-profit medical association to support cross disciplinary collaboration and was formed to provide education, clinical research and cutting edge protocols which empower physicians to more effectively treat their patients and build their practices through the use of herbal, nutritional and bio-identical hormone medicines.

Restorative Medicine Conference Co-ordinator (*September 2002 – September 2011*)

Administrative Assistant - Restorative Formulations (*September 2003 – September 2009*)

A physician-owned company offering effective solutions and various protocols to restore physician's patients to optimal health. Unlike other companies, they use the most highly concentrated, evidence backed botanical extracts available in order to deliver therapeutic value and rapid results.

Independent Coursework:

Good Manufacturing Practices (GMP)
Reiki 1 Certification
Leadership (women in the workforce)
